

Ansley Hester receives SAA scholarship

The Hilton Head Island Chapter of the Society of Architectural Administrators has awarded a \$3,000 scholarship to Ansley Hester to be used at Clemson University for the study of architecture.

Miss Hester is the daughter of Robert and Jane Hester of Bluffton and is a recent graduate of Hilton Head High School where she received the following honors: Academic Achievement in Art II and III, Chemistry, and Physical Science; 1987 Short Essay Winner in school literary magazine. She has been an active member in the Key Club, National Honor Society, Mu Alpha Theta (a national math honor society), and Student Government as well as the volleyball team for the past three years.
